

July 10, 2015

Dear Cincy Summer Streets,

We are writing today in support of Cincy Summer Streets coming to our neighborhood with an event on September 26 on Pleasant Street from Washington Park to Findlay Market.

We know that Cincy Summer Streets took place in Walnut Hills and Northside in 2015 and was popular and well attended.

The event meets neighborhood goals for creating a space for neighbors and community members to interact and engage, particularly as it's a free event focusing on healthy activities and celebrating our largest public space—our streets.

Moreover, this event celebrates and furthers our vision of a safe, walkable and connected neighborhood.

We look forward to this event on September 26.

A handwritten signature in black ink, appearing to read 'Ryan Messer', is shown on a light gray rectangular background.
