What gifts/skills will you bring to the board of trustees?

With over 28 yrs in the fundraising profession, I have embodied the four "C" essentials to the business of philanthropy - compassion, clarity, commitment and common sense. A central concern of this council S/B ENSURING it has enough resources necessary to pursue the strategic plan. It is also important to pursue the fundraising opportunities. As an active volunteer w/numerous orgs, I can help!

What are some things that you would like to work on and to see happen during your term as a trustee?

It is very important for us in the OTR community to be in touch w/our neighbors and the community council. It is important for us to be aware of what is being presented to our council. It is perhaps even more important for us to become active. If given this opportunity, will use my extensive marketing & fundraising background
