

OVER THE RHINE

COMMUNITY COUNCIL

2015 – 2017 OTRCC Board of Trustees Nomination Form

Your name: Stefan Athanasiadis _____

The OTRCC Board of Trustees provides leadership to the community council; plans OTRCC meetings and events; attends to OTRCC business between meetings; assures that finances are managed appropriately; works with the City of Cincinnati, OTR organizations and other community councils; and other organizations as needed or required. Trustees may represent the OTRCC to the public

Trustees are elected for a two-year term. The board of trustees elects the president, vice president, secretary and treasurer from their members. Trustees are expected to attend all board and community council meetings and manage and/or volunteer for OTRCC projects. All trustees are expected to be familiar with the by-laws and hold each other accountable to fulfill their duties and responsibilities. Unexcused absences result in removal from office (By-Laws IV-7).

What gifts/skills will you bring to the board of trustees?

My professional background is in software engineering and construction and this experience in complex software programming and turn-key building remodeling and its necessary relationships to the city housing and building departments can prove valuable. I am also multilingual and somewhat multicultural being a naturalized citizen. Cincinnati was my home in the 70s when I received my university education and after many years away I chose again Cincinnati for my home in my retirement years to put to use my experiences and hopefully help make this city and our neighborhood a better place for ourselves and our children.

What are some things that you would like to work on and to see happen during your term as a trustee?

I would like to organize a neighborhood beautification program to clean up the streets of trash. The rec center kids might be good participants and the program could potentially build pride and a sense of ownership in them for their neighborhood. Additionally I would like to see OTR residents and CIRV members get first crack at the jobs becoming available at the many new business establishments in OTR. Another issue I feel needs to be addressed is the street parking situation which seems to favor businesses over residents.
