

**Over the Rhine Community Council
OTRCC Priorities Discussion
July 24, 2017**

Things I like about OTR		
Art and architecture	Diversity of people, incomes, etc.	Transportation alternatives
Accessibility to transportation and downtown services	Diversity of people and races	The OTR “vibe”
Work/live culture on OTR	Walkability/accessibility of food, culture, shops	Arts engagement
Accessibility and convenience	Availability of a variety of choices	Ease of travel by walking or biking
Architecture	People—old and new	Location, location, location
Holtman’s Donut Shop	OTRCC	Diversity in people, businesses, culture, etc
Walkable	The arts	Diversity
Watching weekday park events	Walking distance/close proximity	Different folk from different walks of life
Streets	Buildings	Parks
Street car	Variety of businesses, breweries, restaurants, bars	Close proximity of everything and neighborhood
The people	Uniqueness of buildings	Findlay Market
The neighbors and people in community	Rothenberg public school	Public spaces/parks, alleyways, pocket parks
Findlay Market	YMCA	Synergy of architecture and people
Friendliness of longtime neighbors	Findlay Market	Tuckers; walkability; bus lines
Determination of our people	Cultural diversity	Walkable neighborhood
Findlay Market	Activities in Washington Park	Walkability and architecture
Diversity	Vibrancy	Proximity
People; neighborhood (buildings, churches, school, market, parks)	Walkable, friendly	Close to downtown and river
Feeling of community; happiness of the people	Diversity/different types of people within the city	Much more kid-friendly
Workout in the park	Buddy’s Place	CRCs
Neighborliness of long-time residents	People hanging out on stoops, sidewalks, grilling out, etc	People supporting each other; bars and restaurants

OTRCC Priorities Discussion
July 24, 2017**

Things I would like to improve OTR		
Parking for employees and customers	Slow down speeding cars	Install more crosswalks
Parking rates, graffiti/taffing, trash, parking tickets	Shorter OTRCC meetings	Better options for mobility for all
Parking	Transportation	
More bike-friendly/safety	More trash cans/litter education/add recycling cans	Crime rates (drugs, vandalism, violence)
Change trash pickup day—too much trash on the sidewalk on weekends	Make Liberty sidewalks ADA compliant	
Parking accessibility, parking policy, parking garages	Longer and more in-depth OTRCC meetings	More infill buildings with creative designs
More resident parking	Opinions	Affordable housing
Defend and improve affordable housing	Enforce property owners’ responsibilities	Parking
OTRCC	Affordable housing	Parking supply and plan
Safety	Litter	Communication among various sub- communities
More parking for residents and visitors	Affordable housing and homeownership for lower income	3CDC should have housing ownership for field workers instead of renting
Clean up litter	Rehab vacant buildings and infill buildings on vacant lots	Liberty Street narrowing safety improvement
Transportation for homeless to shelters and accessibility	Cleanliness/litter clean up	Residential parking passes
Parking for residents	Green spaces	OTR Rec Center
OTRCC should advocate/champion for affordable housing	Parking study and plan	More community engagement especially at OTRCC meetings
More police presence at open-air drug and prostitution markets	More decentralized grocery choices (through Joe’s?)	Residential parking permits
Disallow the drunken pedal-mobiles	Cut back on outside eating areas on the public sidewalk that make it hard to get by	Disallow Segways on the sidewalks; put them in the street

OTRCC Priorities Discussion
July 24, 2017**

Things that are priorities for OTRCC		
Protect service worker housing	Add/increase events impactwide appeal (OTR Festival, safety event)	Public treansportation
Change trash pickup from Mondays because it's put out on Saturday	Widen sidewalks on soutside of Liberty	Move "bike friendly"
Overcome affordable housing challenges in an economically integrated neighborhood	Integrate parking in a high density neighborhood	Balance resident needs and business needs
Get more OTRCC members involved consistently/better relationship with members	Housing	Parking
Enforce city planning goals	Resist over-development	Improve cleanliness
Parking study and city policy	Imagination Alley and Republic Street land sale	Increase African-American membership and involvement in OTRCC
Parking	Community relations with city hall	Neighborhood post ryot
More cooperation with city government	Work on affordable housing policy with city government	
Protect affordability of living for all classes	More bicycle racks and awareness for bike safety laws for Red Bikers and regular cyclists	More police and ambassadors to keep streets safe
People being displaced/relocated	Protect the culture	Disenfranchised individuals
Adopt policy prohibiting tax abatements for properties without low-income housing	Adopt policy against displacement and gentrification	Support for local affordable housing trust fund
Displacement of residents	Anti-resident development/ADA compliance	Bike racks
Use NSP to donate school supplies, back packs and swimsuits	Christmas in July	Back-to-school family sponsorship
ADA compliance for sidewalks and buildings	Bicycle friendly	Clean up on all streets
Too much parking	Programs for youth and teens	ADA accessible
