

July Membership Meeting Priorities Discussion
Over-the-Rhine Community Council
OTR Rec Center, 1715 Republic Street
July 24, 2017, 6:00 PM

Good evening and welcome to the Over-the-Rhine Community Council's monthly meeting. We want to spend some time getting member input on the priorities that the OTRCC should be addressing. Ultimately, this input will contribute to a work program* that the members will approve in September.

To get started, we ask that you answer the following three questions. Then we will have a brief discussion on the first two questions' answers followed by 10 minutes discussion on answers to the third question and priorities you want the council to put into the 2017-2019 work program.

The intentions are to go quickly in writing and reading your answers, meet your neighbors, have some fun and contribute to the council's priorities. Five minutes to answer all three questions; five minutes to share answers on 1. and 2. Ten minutes to share answers on 3. and discuss, if there's time, what's most important at your table. We will pick up the sheets afterward.

1. What three things do you like best about Over-the-Rhine? Short answers, please. For example, Music Hall, Holtzman's and Washington Park yoga classes.

- a.
b.
c.

2. What three things would you improve about Over-the-Rhine? Again, short answers, please. For example, parking kiosks, Liberty Street stop lights and long OTRCC meetings.

- a.
b.
c.

3. What three concerns, interests, things to change, or things to protect should be priorities for the OTRCC? For example, add more bicycle racks, extend Findlay Market hours and expand the OTR Community Festival.

- a.
b.
c.

* Trustees shall prepare a biennial work program for the community council and its committees by the September meeting following their election...(Article VI-5)
