Robert Bertsch, Development Manager
Department of Community and Economic Development
805 Central Ave, Suite 700

Sent via email

Dear Mr. Bertsch,

I am writing on behalf on the Over-the-Rhine Community Council. On April 22, 2019 the council passed a motion that approved the Main Street OTR Gateway Project proposed by the Main Street Business District.

If implemented, the project has the potential to improve the customer experience and increase the likelihood of success of the entrepreneurial businesses located on Main Street. This project will create visible improvements and create a foundation for sustainable growth within the business district.

Respectfully submitted,

A handwritten signature in black ink that reads "Maurice Wagoner". The signature is written in a cursive style.

Maurice Wagoner
President
Over-the-Rhine Community Council
