## OTRCC Board of Trustees Nomination Form

Your name: Amy Silver \_\_\_\_\_

*The OTRCC Board of Trustees provides leadership to the community council; plans OTRCC meetings and events; attends to OTRCC business between meetings; assures that finances are managed appropriately; works with the City of Cincinnati, OTR organizations and other community councils; and other organizations as needed or required. Trustees may represent the OTRCC to the public*

*Trustees are elected for a two-year term. The board of trustees elects the president, vice president, secretary and treasurer from their members. Trustees are expected to attend all board and community council meetings and manage and/or volunteer for OTRCC projects. All trustees are expected to be familiar with the by-laws and hold each other accountable to fulfill their duties and responsibilities. Unexcused absences result in removal from office (By-Laws IV-7).*

What gifts/skills will you bring to the board of trustees?

I am a reliable and dedicated person who has served on the OTRCC Board of Trustees since 2016. In my current role as the secretary of the Board I am tasked with taking minutes and keeping documents and records moving throughout the council. I feel like I have served well in this role and would like to continue to do so moving forward. I work well with others on the team and feel a great responsibility to members of our neighborhood, especially those who are often unable to make meetings. As a social worker at Over-the-Rhine Community Housing I work closely with residents of Over-the-Rhine and have the privilege of getting to know members of our community in a unique way. I have an understanding of the many challenges and benefits of living in our neighborhood and I have a desire to make life easier, and more just for those who are not often listened to or heard.

What are some things that you would like to work on and to see happen during your term as a trustee?

I would like to see our community council membership become more diverse and representative of our community as a whole. I would like for the great work of the Housing and Economic Development Committee to continue and would like to see the Equitable Development Rubric (developed by Peaslee) move through our council and be adopted by our membership.
