Subject: 1725 Elm Demolition

To Whom it May Concern:

The Over-the-Rhine Community Council (OTRCC) Board of Trustees opposes approval of the demolition of the historic building located at 1725 Elm Street (Rear), on the basis that applicant Model Group did not give notification or seek the input of residents, and that preservation of our unique historic assets is one of our community council's core values.

We respectfully ask that the applicant be instructed to engage the community prior to proceeding with approvals for this project.

Respectfully,
