Subject: 1725 Elm St Demolition

To whom it may concern,

On July 22, 2019 The Over-the-Rhine Community Council ratified the Board of Trustee's position against the demolition of the historic building located at 1725 Elm Street (rear), on the basis that applicant Model Group did not give notification or seek the input of residents, and that preservation of our unique historic assets is one of our community's core values.

We again respectfully ask that the applicant be instructed to meaningfully engage the community prior to proceeding with approvals for this project.

Sincerely,

A handwritten signature in cursive script that reads "Maurice Wagoner".
