Top three priorities, by committee, for OTRCC in next two years

Economic Development and Housing

Committee Feedback

Goal 1. Community Input	Goal 2. Summarized/consolidated priorities	Goal 3. Action Plan
Affordable housing for 0-30% AMI (9) - reduce gentrification! (4) - Affordable housing for 0-30% AMI (13) - Better homeless shelters - Low-income resources	Provide and secure high quality affordable housing	- Partner with City on FHAct50 program - Encourage developers to include affordable housing in new developments
Affordable housing especially for people like refugees and people. In need (13)		
Housing protections and eviction protection (5)		

Environmental quality/ cleanliness especially north of liberty (4) - Environmental quality/ cleanliness (6) especially north of liberty (1) Fix up vacant building and put to use (2) - Affordable restaurants for families in the area Beautification	Address blight, vacant properties, vacant lots, and general quality of life	- Partner with Police to proactively address quality of life issues - Partner with City on enforcement of violations
Affordable businesses that service the community e.g., laundromat, corner stores, etc. (3) Community spaces (5) Recognition of history and people; Businesses that service the community and tackle food desert issue (4) laundromat (2) More access to public spaces (2) Investment in public space / historic recognition of specifically minorities and Appalachian families;	Enhance community amenities	- Review proposals from developers and provide feedback to encourage
Development process (3) - Honesty from developers Formalize process for community input on development (8) Equitable planning (3)	Ensure transparent process for gathering community input on development projects	- Clarify and revise community engagement model with City for any projects that receive City benefits and/or require City approval (HCB, Planning, City Council, etc)

OTRCC Votes

Affordable housin especially for people like refugees and people. In need (13)	Formalize process for community input on development (8)	Housing protections and eviction protection (5)
Businesses that service the community and tackle food desert issue (4)	Businesses that service the community and tackle food desert issue (4)	Equitable planning (3)
laundromat (2)	More access to public spaces (2)	

Organization and Structure

Committee Feedback

1 work to improve internal communications between OTRCC and BOT	2 work to improve in-network communication (larger OTR community and partners)	3 work to improve external network communications (council to council, neighborhood to neighborhood)

For further discussion:

How do we want to share hearing notices with our community?	We need a strategy to streamline and be consistent in our voting policy. Wristbands always? How do we ensure that this happens every meeting?	Include upcoming committee meeting dates and discussion points for meetings in OTRCC agenda. Committee chairs to send those to Amy for inclusion in agenda.

OTRCC Votes

Communication between board and members of OTRCC (10)	Voting process within OTRCC (5)	Communication within OTRCC (1)

Outreach and Engagement

The Committee Did Not Meet

OTRCC Votes

More proper community engagement (6)	Community events for kids during the winter months (6)	Better understanding of people living with limited resources (5)
Safe and clean streets (litter and trash cleanup) (5)	Safer neighborhoods (move out the thugs and drugs) (3)	Quality of education in schools (2)
repair vacant buildings (2)		

Parking and Transportation

Committee Feedback

Public transportation and accessibility	Free affordable parking for neighborhood residents (We are seeking feedback from the city on data	Parking study (tie) Parking for guests of residents (tie)

	and defending what we have achieved so far.)	
Imprvements to Make in OTR More parking (for who?) We propose to host a 3 minute input process at the next CC meeting. Street visibility/we would include pedestrian safety	More public transportation (discuss free streetcar, present on SORTA votes for improvement)	~~Repair sidewalks and alleys~~

OTRCC Votes

Public transportation and accessibility (7) **Parking for nonresidents (3)**	**Free/affordable parking for neighborhood residents (4)** **Finish the Liberty Street project (3)**	**Parking study (3)**
